

Federal Trade Commission

§ 1.88

§ 1.85 Final environmental impact statements.

(a) After the close of the comment period, the Bureau responsible for the matter will consider the comments received on the draft environmental impact statement and will put the draft statement into final form in accordance with the requirements of CEQ Regulation (40 CFR 1502.9(b)), attaching the comments received (or summaries if response was exceptionally voluminous).

(b) Upon Bureau approval of the final environmental impact statement the final statement will be

(1) Filed with the EPA;

(2) Forwarded to all parties which commented on the draft environmental impact statement and to other interested parties, if practicable;

(3) Placed in the public record of the proposed rule or guide proceeding or legislative matter to which it pertains;

(4) Distributed in any other way which the Bureau in consultation with CEQ deems appropriate.

(c) In rule and guide proceedings, at least thirty (30) days will be allowed for comment on the final environmental impact statement, calculated from the date of publication in the EPA's weekly FEDERAL REGISTER list of final environmental impact statements. In no event will a final rule or guide be promulgated prior to ninety (90) days after notice of the draft environmental impact statement, except where emergency action makes such time period impossible.

§ 1.86 Supplemental statements.

Except for proposals for legislation, as provided in CEQ Regulation (40 CFR 1502.9(c)), the Commission shall publish supplements to either draft or final environmental statements if:

(a) The Commission makes substantial changes in the proposed action that are relevant to environmental concerns; or

(b) There are significant new circumstances or information relevant to environmental concerns and bearing on the proposed action and its impacts. In the course of a trade regulation rule proceeding, the supplement will be placed in the rulemaking record.

§ 1.87 NEPA and agency decision-making.

In its final decision on the proposed action or, if appropriate, in its recommendation to Congress, the Commission shall consider all the alternatives in the environmental impact statement and other relevant environmental documents and shall prepare a concise statement which, in accordance with CEQ Regulation § 1505.2, shall:

(a) Identify all alternatives considered by the Commission in reaching its decision or recommendation, specifying the alternatives which were considered to be environmentally preferable;

(b) State whether all practicable means to avoid or minimize environmental harm from the alternative selected have been adopted, and if not, why they were not.

§ 1.88 Implementing procedures.

(a) The General Counsel is designated the official responsible for coordinating the Commission's efforts to improve environmental quality. He will provide assistance to the staff in determining when an environmental impact statement is needed and in its preparation.

(b) The Commission will determine finally whether an action complies with NEPA.

(c) The Directors of the Bureaus of Consumer Protection and Competition will supplement these procedures for their Bureaus to assure that every proposed rule and guide is reviewed to assess the need for an environmental impact statement and that, where need exists, an environmental impact statement is developed to assure timely consideration of environmental factors.

(d) The General Counsel will establish procedures to assure that every legislative proposal on a matter for which the Commission has primary responsibility is reviewed to assess the need for an environmental impact statement and that, where need exists, and environmental impact statement is developed to assure timely consideration of environmental factors.

(e) Parties seeking information or status reports on environmental impact statements and other elements of
